Dr. David Jordan, Professor
Williams Hall 4207
101 Derieux Place
North Carolina State University
Raleigh, NC 27695

Dear Dr. Jordan,

On behalf of the faculty of the School of Plant and Environmental Sciences (School) at Virginia Tech, I would like to congratulate you on being recommended and approved by our School Promotion and Tenure Committee for Adjunct Faculty status in the School. We appreciate your desire and willingness to be a part of our School as an Adjunct Faculty and we appreciate your efforts in working with our faculty on research and extension programs. We especially appreciate your cooperative programs with us in the peanut research and extension programs based at our Tidewater Agriculture Research and Extension Center in Holland, Virginia. If I can provide any assistance, please let me know, and if you are ever in Blacksburg, please reach out so that we might have a chance to meet.

Sincerely,

Michael R. Evans
Professor and Director
